五、听一段独白,判断对错,对的写 T, 否则写 F, 本题读两遍。

Food is so important to us. Healthy food makes us strong and healthy. Many people like fruit and vegetables because they are tasty(美味的) and healthy. But many women don't eat meat. They only eat vegetables, such as carrots, tomatoes, potatoes and so on. Many children don't like vegetables. They like meat. They eat pork, beef and chicken. Meat is helpful, but too much meat is bad for our health. So remember that food is not single (单一的). Eat many kinds(种类) of it.

My new school life

I'm going to a new middle school this September. I'm so excited. In my new school, I'm going to learn lots of new things, meet new friends. And I'm going to study five subjects. They are Chinese, English, Maths, History and Geography. I'm going to meet new teachers too. I think my new school life will be colourful.
